

Thank-you to those who Help.

- **In recognition of:**

Matt and Coral Wedel, and their children Eleanor and Abner.

Thank you, Matt, for your donation of one of the beautiful xylophones housed at the Albany Village Park. Matt, Eleanor, and Abner also donated their time and materials to create a series of dolls that were sold to raise money for park repairs/enhancements. Matt and his family devote a lot of time, resources and energy toward the love they have for their community.

We are so grateful.

Thank You
